# STORY BEHIND THE CREATION OF THE PRODUCT

**YEARS 1994 — 2021**

DEVELOPMENT AND EVOLUTION OF THE DEMATRIX

**DeMatrix** – a tool for harmonization and correction of the functional state of the organism, and for protection from energetical influences.

You can use the pendants on their own for wellness, and as an additional method of rehabilitation.

**1994 YEAR – DEVELOPMENT OF THE FIRST PROTOTYPE OF THE PENDANT**

# HOW DOES THE DEMATRIX OPERATE

Five basic operational principles:

Digital copy of Homeopathic preparations (Rehabilitation effect)

Herbal preparations or Phytopreparations (Rejuvenating effect)

Inverted homeopathic Nosodes (Antiparasitic effect)

Digitalized programs from DeVita AP and DeVita Ritm  
(Rehabilitation and Antiparasitic effect)

Sacred geometry (Strengthening effect)

## DIGITAL COPY OF HOMEOPATHIC PREPARATIONS

**Homeopathy** – a method of restoring the body, which eliminates not only the symptoms of the disease, but also its root cause.

REHABILITATION EFFECT

# HERBAL PREPARATIONS OR PHYTOPREPARATIONS

**Phytopreparations** — medicinal products obtained exclusively from plant materials: herbs, whole plants or their extracts. Phytopreparations are used both for health improvement and as prophylactic agents.

REJUVENATING EFFECT

## INVERTED HOMEOPATHIC NOSODES

**Homeopathic Nosodes**, prepared from cultures of microbes, viruses and other infections in inverted form.

ANTIPARASITIC EFFECT

# DIGITALIZED PROGRAMS FROM DEVITA AP AND DEVITA RITM

Key programs aimed at regulating the main body systems.

# THE DEMATRIX-PENDANT OPERATES IN 8 DIRECTIONS

# DEMATRIX-PENDANT

## **“Coronavirus Prevention”**

It is intended for the maintenance of human immunity, is used to prevent infections and alleviate a person's condition during the disease as an additional and complementary method of treatment, has anti-inflammatory effects and promotes the elimination of toxins.

# DEMATRIX-PENDANT

## **“Rehabilitation from viral infections”**

Recommended after a previous bacterial or viral infection, including coronavirus. It helps the body to restore its energy potential, to reduce the toxic load, to normalize the functioning of organs and systems, to harmonize the psychological state and to activate the body's defence processes.

# DEMATRIX-PENDANT

## “Detox V”

Strengthens the body's resistance to pathogens, supports the immune and nervous systems, reduces the effects of poisoning (including drugs and heavy metals), reduces the toxic load, normalizes the psychological state. It is recommended to be used for at least 6 months for any inflammatory processes, in acute and chronic poisoning.

# DEMATRIX-PENDANT

## **“Male Health”**

Supports the normal function of the urinary system, participates in reducing the potential infectious load of the urogenital system, maintains the full reproductive function of men, normalizes prostate function, enhances libido and improves the quality of sexual intercourse. Recommended for use by both healthy men and men with sexual arousal problems.

# DEMATRIX-PENDANT

## “Female Health”

Improves blood circulation to the pelvic organs, inhibits the reproduction of pathogenic microflora and inflammatory processes, regulates hormonal balance, reduces pain during menstruation. It is recommended for women with painful menstruation, with an unstable cycle, also during menopause and finally when there are inflammatory processes of the reproductive system.

# DEMATRIX-PENDANT

## “Healthy Liver”

Effectively improves liver and bile duct function. It is recommended for the relief of liver strain resulting from the intake of alcohol and chemicals, as an adjunct to the main methods of treatment for fatty liver and in addition to the prevention of gallstones.

## DEMATRIX-PENDANT

### “Healthy Kidneys”

Reduces inflammation and infectious load in the urinary system, has antiseptic and diuretic action and helps prevent the formation of stones in the urinary system. It is recommended in case of problems with the urinary system, preventing the occurrence of chronic tubular interstitial nephritis.

## DEMATRIX-PENDANT

### **“Healthy Heart”**

Contributes to the improvement of the function of the cardiovascular system, supports the function of the heart, aims at the regulation of the heart rhythm and the adequate blood supply to the heart muscle, prevents vascular spasms and participates in the normalization of blood pressure. It is recommended for people with problems with the cardiovascular system, as well as for strengthening the heart after illnesses and during stress disorders.

## OPERATION OF THE DEMATRIX

To use the pendant, remove it from its sealed package.

Place DeMatrix on a bare area of your body. To do this, you can use a strap and hang it around your neck (the strap is included in the package) or other means (elastic bandage, adhesive tape glued to a cotton base, etc.).

Usage time: Daily during the day for 3 to 6 months, depending on how you feel.

If necessary, the pendant can be used at night, after ensuring its direct contact with the body.

To extend the recovery, use up to one more DeMatrix pendant or switch to DeVita Ritm and DeVita AP.

## OPERATION OF THE DEMATRIX

It is allowed to use up to two (2) pendants at the same time on a neck strap or on different parts of the body in any combination. In this case, it is recommended to monitor the body's reaction to the effect of the applied DeMatrix pendant combination.

During the period of use of the pendant, it is recommended to drink at least 1-1,5 litres of clean drinking water.

The pendant must be removed before any contact with water.

To extend the life of DeMatrix, each time you remove the pendant from the body, place it in its package.

There is no age limit for using the DeMatrix pendant.
